

Datamatics Business Solutions Ltd. (DBSL) and GDPR.

Datamatics Business Solutions Ltd. (DBSL) along with its affiliates is taking the necessary steps to ensure compliance with the EU's GDPR (General Data Protection Regulation) and ePrivacy regulatory changes, effective May 25, 2018.

We have always been sensitive to customer data. We have taken all the necessary actions to ensure customer data compliance before 25th of May 2018. Our strategy will safeguard our clients' Personally Identifiable Information (PII)/ Sensitive Personal Information (SPI) and that of their customers & prospects.

As a Data Processor, we process data of EU and UK residents for EU, UK and US registered companies (as part of its client requirements). We will continue to adhere to data security and privacy at every step of data management, data accuracy, data retention & disposal, data transfer, data profiling, data sourcing and consent or opt-in.

Our GDPR data protection principles are mandated by the regulation – i.e. (EU) 2016/679 of the European Parliament and the Council published April 27, 2016.

We will implement & revalidate our processes and systems around GDPR on the basis of the following key principles:

1. Lawfulness, fairness and transparency
2. Purpose limitation
3. Data minimization
4. Accuracy
5. Storage limitation
6. Integrity and confidentiality

We are a fully committed partner to our clients in making GDPR transition smooth.

All clients will receive the updated terms and incidental legal documentation on implementation changes. Our Privacy policy and addendum will be available on our website soon.
